Dear Ian:

Congratulations on achieving membership into the *International President's Circle Team* designation for 2014.

The real estate market in 2013 marked our entry into an entirely new housing cycle where sales increased, gains were seen across the country in values, and inventories moved back toward equilibrium. Decisions regarding investments began moving from speculation back to lifestyle events, which was necessary to ensure a healthier and more sustainable business for the future. As a Coldwell Banker professional*, you and your teammates played an invaluable role in guiding customers through this transition and restoring the public's confidence in real estate, and you should enjoy the fruits of your efforts with the ongoing recovery of our industry.

To promote your team's achievement locally, the following advertising and promotional materials are available to you online; News Release, digital Designation Logo and Awards Statistics. Log on to coldwellbankerworks.com, go to the Promote Myself tab and choose Awards & Recognition Resources.

Again, congratulations on achieving the *International President's Circle Team* designation. Thank you for your hard work and dedication and I wish your team the best of success throughout 2014.

Sincerely,

Budge S. Huskey
President and CEO
